## More about Vancouver Island

Surrounded by ocean, Vancouver Islanders enjoy the best year-round climate in Canada with warm summers and mild winters. Imagine skiing, golfing and scuba diving all in the same day! The relaxed pace, easy access to outdoor activities, an abundance of art, music, theatre and festivals ensures that there is something for everyone. Whatever the lifestyle you are looking for, we have it here. Vancouver Island also offers quick access to Vancouver by ferry or seaplane, as well as a growing international airport.
